

Anthem's Medicare Advantage Certification Training is NOW OPEN!

Here are a few tips to help you get started quickly and finish strong.

You have a choice to begin your Medicare Advantage certification training with AHIP or NABIP

- AHIP – America's Health Insurance Plans
- NABIP – National Association of Benefits and Insurance Professionals

#### Certification Tips

1. Start training by going to [Medicare Certification \(elevancehealth.com\)](https://elevancehealth.com)
2. Click on Certify with AHIP or Certify with NABIP to get started.
3. In the Medicare Certification Center, sign in and enter access code **External-SelfReg** with no spaces and include the hyphen.
4. You will need to complete the core AHIP or NABIP Medicare training first, then all Compliance and Product training modules.
