

Are you eligible for more benefits from your Medicare coverage? I can help you see if you qualify for a Dual Eligible Special Needs Plan!

**1 Do you qualify for Medicare?**

If you are 65 or older, or you are younger than 65 with certain health conditions or a Social Security disability, you are eligible for Medicare.

**2 Do you qualify for Medicaid?**

Medicaid qualifications vary from state to state, but typically use lower income as the primary factor. Certain health conditions may also qualify a person for Medicaid. Check with your own state's guidelines to know for sure.

**3 You may be eligible for a D-SNP!**

If you qualify for Medicare and Medicaid, you may be eligible for a D-SNP!

**What are the benefits of a D-SNP?**

If you qualify for a D-SNP, you'll be able to:

- Simplify your health care with a care coordinator
- Have prescription drug coverage as part of your plan
- Get help coordinating your benefits between Medicare and Medicaid
